"Take this course to reawaken your inner child, brighten your imagination, build your self confidence and make new friends, get new ideas and laugh yourself silly."

"This course was one of the most enjoyable learning experiences I've ever had. It brought all types of people together not only to learn how to teach but bond with them. I feel like I left not only with the confidence and information I have to teach, but some life long friends."

The Rainbow Kids Yoga Teacher Training is a comprehensive, intensive and practical Kids and Family Yoga certification course, created by Gopala Amir Yaffe. Immerse yourself in the magical world of yoga and kids, be prepared to practice and learn yoga like a child, while laughing, dancing, playing, and singing! Alternating experiential Kids Yoga classes with practical theory and discussion makes the Rainbow Kids Yoga Teacher Training well-rounded, in-depth, and TONS OF FUN!
